(五) 次の英文を読んで, 1~7 の問いに答えなさい。

Last year, Yoshio's English teacher who came from Canada said to his class, ^(A) "Let's use the computers to write letters in English, and then send them to the students in my hometown in Canada through the Internet. The letter sent through the Internet is called an e-mail. A lot of people are now using e-mails." Yoshio was excited to know that he could use a computer, but he thought writing a letter in English was difficult. Then the teacher said, " ^(B) Only a few lines are all right. First, introduce yourself and ask something in English. Don't worry. I will help you."

Yoshio wrote, "My name is Yoshio Kimura. I live in a small town. I want to make friends with you." He also asked, "What kind of music do you like the best? What sport do you do?" Two days later, Yoshio's class received e-mails from Canada. They were surprised, because the answers came very quickly. When Yoshio told his mother about ^(C) this, his mother was more surprised. She said, "When I was a student, I sent a letter to my friend in Canada by airmail. ^(D) It took two weeks to get an answer from her. But you got an answer in two days!"

To Yoshio's e-mail, one of the students in Canada answered. He said in the e-mail, "Thank you for the e-mail. My name is Kevin Baker. I like rock music, and I listen to it every day. I am very interested in *judo* and ^(E) I am looking for someone who will teach me *judo* in my town. What are you interested in?"

By exchanging messages many times, Yoshio made friends with Kevin. It was interesting for him to exchange e-mails. Yoshio found that the e-mails traveled ^(F) , and he thought that even a ^(G) message of a few lines worked. Now Yoshio wants to visit Canada to see Kevin.
