One day in October, Naoko and Kenji were in a classroom. Mr. White, their new English teacher, came in and talked to them.

Mr. White : Hi, Naoko and Kenji. How are you?

Kenji : Fine, thank you. ①

Mr. White : I'm fine, too. Thank you. (ア) 君たちは何について話しているのですか。

Naoko : About our school festival.

Kenji : Yes. We are going to sing songs at the festival next month.

Mr. White : Oh, are you members of the chorus club?

Kenji : Yes, we are. We like to sing very much.

Naoko : Well, Mr. White, this year is the 50th anniversary of our school. And we will celebrate it at the festival next month.

Mr. White : Oh, will you? ②

Kenji : Yes. Many people in the town will come to our festival. We want to make all of them happy. But we have never sung a song in front of so many people. We have only 30 days before the concert.

Naoko : Oh, Mr. White! You said in our class you were a member of the chorus club when you were a student. ③

Mr. White : Sure. First, practice very hard. You still have one month before the concert. Second, sing the songs the people like. They will feel happy if they hear their favorite songs. And third, smile and enjoy singing. If you look happy, they will feel happy, too. Remember that they are your friends, your teachers, and your parents, not big monsters.

Naoko : ④ Thank you for your advice, Mr. White. Please come to our concert.

Mr. White : OK, I will. (イ) 私の友だちに私といっしょに来てくれるよう頼んでおきましょう。

Kenji : Thank you very much, Mr. White.
